

# Poverty and Politics: The Rise and Decline of the Farm Security Administration

This book is more than a case study of the Farm Security Administration. It not only deals with the history of farm politics but also provides a fresh perspective and gives depth of understanding to issues such as the role of farm organizations, the behavior of many prominent people of the time, and problems of antipoverty programs generally. A UNC Press Enduring Edition -- UNC Press Enduring Editions use the latest in digital technology to make available again books from our distinguished backlist that were previously out of print. These editions are published unaltered from the original, and are presented in affordable paperback formats, bringing readers both historical and cultural value.
