

A Thistle Beyond Time: Book 2 of the Thistle & Hive Series

Cormac MacBayne wants a wife, and the witch, Edna Campbell, has the perfect woman in mind. The only problem is they're separated by 500 years and thousands of miles. Fresh from a bad marriage, Jenna Sinclair has sworn off men - that is until a handsome highlander comes out of the fog and into her life. He's a mystery and possibly part of an elaborate practical joke concocted by her cousin. Jenna's had enough deception in her life. Can she risk everything to be with a man who is so obviously lying to her?
