

## A Rogues Love (The Carroway Family Book 5)

Lady Harriet Carroway had always loved adventure; she thought a Season in London would be the best adventure of her life. Until she had to chase across Europe to find her twin brother whom she was convinced could be in danger. Lord Andrew Rawten was known as The Rogue; he had the blackest reputation in society and was not considered suitable company for any respectable young lady. He had taken his nephew, Matthew Heywood, Matthews friend, Harry Carroway, on their Grand Tour across Europe rather than experience another Season in London. When Harriet Carroway arrived to find her brother, Lord Rawten had just received a ransom letter, demanding a fortune for the safe return of Harry Carroway. Suddenly Lord Rawten found himself in the company of a fascinating young lady and unable to help feeling something for her, but he was not the right man for her.
