

Eyes Wide Open: The Blackstone Affair, Part 3

The third part in The Blackstone Affair series: A love on the brink of being destroyed. The fight of a lifetime to keep it alive. Big surprises are on the horizon for Ethan and Brynne as they struggle to adjust to what life has thrown at them. Demons from the past are threatening to destroy the passionate bond they've forged despite their vow that nothing will ever keep them apart. A truly devastating loss coupled with the promise of a new hope opens their eyes to what is most important, but is it possible for the lovers to move on from the painful histories that continue to haunt them? A stalker is still lurking in the shadows, plotting evil amidst the distraction of the 2012 Olympic games in London. Brynne and Ethan are on the cusp of losing everything as the stakes rise. Will they yield to circumstances beyond their control or will they give every ounce of fight they have left to save each other and win the ultimate prize of a life together? Eyes Wide Open is a passion-wrought story that shows us what pure love can achieve when tested and what the heart can accomplish despite danger and adversity.
