Business Letters & Emails Made Easy: Ready-drafted business letter and e-mail templates for every business situation. Subjects covered include managing suppliers and customers, hiring and firing staff, debt collection, credit control and more. An invaluable source of 198 drafted, annotated business letters and emails covering a wide range of business situations... so you'll never again have to sit in front of your PC wondering how you should word a letter about a business agreement, write a business email or how to word a business proposal. Business letters and emails can really help oil the wheels of commerce. But writing business letters and business e-mails can take so long, as you carefully word each paragraph. Why bother? Business Letters & Emails Made Easy provides your business with ready-made business letter templates and business e-mail templates that you can quickly adapt for every conceivable business situation. Business areas covered in this guide include: Business letters and e-mail templates for managing suppliers; Business letters and email templates for managing customers; Business letters and e-mail templates for sales and marketing management; Business letters and email templates for debt collection and credit control; Business letters and e-mail templates for hiring and firing staff; Business letters and email templates for banking, insurance and property; Business and the community. That's 198 business letters and email templates waiting for you. Go on: take away the headache and time-wasting of business letter writing and e-mail writing. When a typical business letter can cost a business approximately \$15 to send out, mostly in the time of the manager composing it, anything that can bring the cost down will make a big difference. Business Letters & E-mails Made Easy will save you time and money. All the template business letter and

email templates in this book mean you can simply adapt and fire off your business letters or e-mails in no time at all. Each business letter and email is accompanied by a useful commentary, explaining when to use a particular business letter/e-mail template and helping you choose exactly the right turn of phrase for maximum effect or complete clarity. Business Letters & Emails Made Easy: Because its the ends your business should be concentrating on, not the mere means.
