

Captive (The Survival Race)

Fawcett delivers a suspenseful and captivating science fiction romance. A must read for all, but especially for fans of THE HUNGER GAMES. --Caridad Pineiro, NY Times & USA Today bestselling author

AN IMPOSSIBLE JOURNEYThe last thing Addy Dawson remembers is a blazing inferno and freezing river water overtaking her lungs. When she awakens, Addy finds herself on a strange, alien planet, trapped in a cell with no doors, no windows-- and to her horror-- a naked warrior who claims to be her mate.

AN UNDENIABLE PASSIONAn alpha gladiator, Max is forced to breed and produce the finest specimens for the Survival Race, a deadly blood sport created by the alien rulers of Hyborea. To rebel means torture-or worse-yet Max refuses to become the animal his captors want him to be. But their jailors will not be denied, and soon Addy and Max find themselves unwilling players in this cruel game. Pushed to the limit, they will risk everything for the chance at a life free from captivity. And though fate brought them together as adversaries, Max and Addy will discover that when theyre together, theres nothing in the universe that can stop them.
