

Reshaping the Countryside: Perceptions and Processes of Rural Change

This book is a collection of papers providing comparative and contrasting analyses of the changing characteristics of the countryside within the developed countryside of the UK, USA and Canada. Reshaping the Countryside is an exploration of the issues of continuity and change associated with the operation of demographic, socio-economic and political processes as they impact upon and reshape the countryside.

 Make Oak Ridge Energy Efficient
 Our Mission

Make Oak Ridge Energy Efficient (MORE2), in conjunction with the City of Oak Ridge Electric Department, is upgrading the homes of qualified Oak Ridge community members with free energy-efficient equipment, such as new HVAC and water heating units, which lowers electric bills, improves home comfort, and helps the environment.
