

Painting Her Love

In *Painting Her Love*, Drew Jaeger introduces Derrick Vaughn, a brilliant artist who has failed to paint the masterpiece of his life. Then, Derrick meets Tricia LonGevin, a beautiful San Francisco therapist who awakens his deepest romantic desires and leads him on an intimate journey that reveals feelings he never knew existed. Committed to his love for Tricia, Derrick discovers the inspiration to create the masterpiece of his life - one that could only be painted in a desperate attempt to save the woman of his dreams. A native of Chicago, Drew left the bustling big city to attend college in the rustic South. He earned his Masters Degree from the University of Chattanooga in 1995. Since graduation, he has written for several magazines and has published two novels. Inspired by his wife Sherry, Drew wrote *Painting Her Love* as a dedication to her for the joy she has brought to his life. They live in Northwest Georgia with their two children. Drews email address is Teamjaeger@comcast.net.
