

Switzerland Through Photographs

This book exhibits hundreds of images from a trip to Switzerland, the land of cheese, chocolate, chalets, among so much more. Images from the world-class cities of Zurich and Geneva, including stops in the cities of Bern, Interlaken, Jungfrauoch, Lausanne, Lucerne, Neuchatel, Schaffhausen, St. Gallen and nearby Appenzell are all included. Majestic, snowy mountain ranges, medieval cities, sprawling hills dotted with cottages, spectacular art, bustling, multi-cultural cities, everything from architecture, scenery, and tourist attractions to food, people and shopping is displayed through hundreds of gorgeous photographs, captured on a basic point-and-shoot digital camera, just as youd see them if you were walking around yourself - absolutely no editing, filters, special lenses have been applied. All photographs may be reproduced for any of the readers purposes, provided appropriate source referencing.

Make Oak Ridge Energy Efficient

Our Mission

Make Oak Ridge Energy Efficient (MORE2), in conjunction with the City of Oak Ridge Electric Department, is upgrading the homes of qualified Oak Ridge community members with free energy-efficient equipment, such as new HVAC and water heating units, which lowers electric bills, improves home comfort, and helps the environment.
