

# In The Eyes of Cats and Cypriot Men: Complete Series (Alone in Cyprus)

COMPLETE SERIES: Here is the complete series, start to finish, of Bridget's journey in the Mediterranean. Bridget Barbara was on her three-month adventure after graduating from college. Without having seen a beach in ages, she decided to go on vacation. Join Bridget as she experiences Cyprus--very much alone. A solo trip to Limassol seemed like a good idea in the beginning. And maybe it was a good idea in the end. The time in between was filled with lots of sun, lots of food, and lots of wandering eyes by very unlikely culprits.
