

Beyond Diversity Day: A Q&A on Gay and Lesbian Issues in Schools (Curriculum, Cultures, and (Homo)Sexualities Series)

Beyond Diversity Day is a handbook for teachers, counselors, administrators, policy makers, parents, and students who want to understand and affirm sexuality differences; promote and protect the well-being of all students; and reduce bigotry, self-hatred, and violence. In question-and-answer format, Arthur Lipkin offers advice on how to nurture positive relationships among glbt youth, their families, and the schools; welcome glbt families in the school community; support glbt educators; and incorporate sound and appropriate glbt-related curricula across disciplines. Written by a veteran high school and university teacher and staff developer, Beyond Diversity Day weaves sound scholarship with vivid real-world examples from classrooms and the media. It offers a compelling blueprint for working with diverse students and for improving schools.
