

Married to the Streets for Better for Worse

This book is filled with the truth and the uncut reality of everyday life - and death - in the projects. This book exposes the gangster lifestyle as it really is, without the fake glamour it is popularized with. Too many kids grow up being enticed into a criminal way of life because of the flash associated with the neighborhood gangsters, pimps, and hustlers: they have the money for the fancy clothes, cars, and for food on the table at dinner, while most other people in the neighborhood go around poor and underfed. This book will let you see how a young child can be turned into a criminal-minded thug before reaching his tenth birthday, culminating in a marriage to the streets filled with heartache, hatred, and eventually murder.
