

# Memoirs of a Time Traveler (Time Amazon Book 1)

You couldn't ask for a finer guide to the future - or the past - than Doug Molitor. - Larry Gelbart (A Funny Thing Happened on the Way to the Forum, M\*A\*S\*H, Tootsie) Archaeologist David Preston, 23, comes into possession of a baseball supposedly signed by the legendary Ty Cobb in 1908-except the ball tests out to be an impossible paradox. It was signed with a ballpoint pen (not invented until 1938) in ink that's several centuries too old. Ariyl Moro, 19, a voluptuous 6-foot-3 beauty, is a tourist from a 22nd century paradise where time travel is the latest craze. She needs David's help and his knowledge of the past. Somehow her home has been turned into a postapocalyptic nightmare. This mismatched pair must put aside their differences-and try to ignore their growing attraction-as they leap from one mutated timeline to the next. They must solve a mystery involving Bronze Age swordsmen, modern-day Nazis, a steampunk world, Albert Einstein, some highly skeptical Founding Fathers, and a Golden Age Hollywood where the murder of a beloved movie star will spell doom for the entire world.

Make Oak Ridge Energy Efficient

Our Mission

Make Oak Ridge Energy Efficient (MORE2), in conjunction with the City of Oak Ridge Electric Department, is upgrading the homes of qualified Oak Ridge community members with free energy-efficient equipment, such as new HVAC and water heating units, which lowers electric bills, improves home comfort, and helps the environment.
