

Interactive Historical Atlas of North America Since 1492

See the location and movement of Native American people in any given year. Watch the growth of Spanish, French, and English colonies as native people were conquered and new areas explored. See the growth of the United States, Mexico, and Canada as native land was ceded, territories organized and states and provinces admitted. See what these countries were like when one of your ancestors was born. Our year by year maps allow you to see history in a unique perspective. This Interactive Historical Atlas on CD contains over 500 maps, one for each year, of North America in true color SVG file format. These maps are interactive, scalable, and allow for zooming and panning. Popup information is shown for each label. The CD has an index page to allow for easy selection of maps, and a help page to assist in using the SVG format. Each map shows North America as it was at the beginning of each year.

Make Oak Ridge Energy Efficient

Our Mission

Make Oak Ridge Energy Efficient (MORE2), in conjunction with the City of Oak Ridge Electric Department, is upgrading the homes of qualified Oak Ridge community members with free energy-efficient equipment, such as new HVAC and water heating units, which lowers electric bills, improves home comfort, and helps the environment.
