

We the People: An Introduction to American Politics (Ninth Texas Edition)

Politics is relevant. The best text for showing students that politics is relevant to their lives and that political participation matters?especially in the digital age. New coauthor Caroline Tolbert brings expertise in political behavior to deep revisions of key chapters, and new Digital Citizens boxes highlight the role of new media in politics. The nine chapters on Texas politics have been thoroughly updated and include several new Who Are Texans? infographics to engage visually oriented students.
