

Straight from the Earth: Irresistible Vegan Recipes for Everyone

As environmentally healthful and thoughtful eaters pile on the vegetables and fruits and push animal protein off their plates, the desire for more recipes showcasing fresh produce has gone sky high. So, who better than the folks at Earthbound Farm to deliver those vegetable-centric recipes? From their humble beginnings as a 2 1/2-acre raspberry field, Earthbound now grows and distributes organic produce nationally. Co-founder Myra Goodman and her daughter Marea are skillful home cooks, and the proximity to their fields of fresh vegetables and fruits made it easy to develop creative and definitely delicious dishes that are not only heavy on the produce, they just happen to be vegan! Using the freshest ingredients and offering intriguing flavor combinations, these 100 plant-based recipes are completely free of meat or dairy. As you gain insight on organics and essential components like nuts and seeds, soy, and coconut, you'll also learn about the practical and personal reasons to go vegan. Taking you from breakfast and lunch to dinner and dessert with such satisfying delights as Quinoa Banana Skillet Bake, Slow Simmered Beans with Tuscan Kale, Thai Lettuce Rolls, and Very Chocolatey Chocolate Brownies, Myra and Marea share their diverse and delicious collection of recipes. They excel in salads and Marea's deliciously skewed Eccentric Caesar with its cashew and curry based dressing are just a taste of what's to offer. Choosing a more plant-based diet was a simple choice for them and much too tempting to resist. Their goal? For you to enjoy and savor every single bite.

Make Oak Ridge Energy Efficient

Our Mission

Make Oak Ridge Energy Efficient (MORE2), in conjunction with the City of Oak Ridge Electric Department, is upgrading the homes of qualified Oak Ridge community members with free energy-efficient equipment, such as new HVAC and water heating units, which lowers electric bills, improves home comfort, and helps the environment.
