

Full Circle: An Autobiography

As I began to put pen to paper, I had no idea how it would pan out. I've never written anything in my life, other than the odd Birthday and Christmas card. It is interesting, funny, sad, and a little bit different. It's simply the story of me as a Boy, with a brilliant Mum, from a hard-up working-class family, growing up in the 1950s, then making his way in life. Quite a bit of this book is about my racing career, what I've tried, is to write more about the Teams and other Drivers, rather than boring you with how good or bad I was, as I'm fully aware, that unless you are a Motor Racing fan, it would certainly do just that. What you read is what really happened, I just hope I will be able to paint a picture with my words. Hope you will find it a good read. Rick Shortle.
