

The Mindfulness Cookbook: Recipes to help you to cook and eat with full awareness

Mindfulness is the new attitude to living. Being aware of what you eat will not only help you appreciate every mouthful, but reward you and heal your food issues. There's no dieting, calorie-counting or fasting - by changing your approach to feeding yourself, you can tune in to your body wisdom and begin to eat less of what you don't need, while filling up on nourishing foods that help you reach the weight you'll be happy with for life.

Make Oak Ridge Energy Efficient

Our Mission

Make Oak Ridge Energy Efficient (MORE2), in conjunction with the City of Oak Ridge Electric Department, is upgrading the homes of qualified Oak Ridge community members with free energy-efficient equipment, such as new HVAC and water heating units, which lowers electric bills, improves home comfort, and helps the environment.
