

The Secrets of Their Souls: A Novel (The Soul Series Book 1)

Zahra Foster is good at keeping secrets. By day she is a high-powered hustler with an enviable career, while at night, in her dreams, she plays a deadly assassin. Tormented by the crimes she has witnessed, Zahra doesn't tell anyone about her nightmares. But, when she meets her new boss, Mr. Jayce Tohmatsu, she soon realizes that they have more in common than just the company they work for, and that her dreams are the storytellers of her long-forgotten past. Unable to resist the magnetic pull between them, Zahra and Jayce embark on an all-consuming and passionate affair one that is built on love as well as lies. As Zahra's dreams intensify, she will discover that she is not the only one keeping secrets, that the past is never truly forgotten and that all debts must be paid, one way or another.

Interview with the Author

Q: What makes The Soul Series special?

A: It's the combination of themes that this series explores: spirituality, romance, and mystery. This series is inspired by a book that I read on reincarnation, *Many Lives Many Masters* by Dr. Brian Weiss. It made me question why certain events happen in our lives. Why do bad things happen to good people? Why do certain people come into our lives? Why do certain people walk out of our lives? I started thinking about my own life, and how my decisions in my past-lives might have created the situations I had experienced in this life. The idea for the series came as I was asking myself these questions, but then I also wanted to incorporate the elements that I love in a good book: a beautiful love story and an element of mystery. And the story moves fast, because there's nothing better than losing yourself in a book that you can't put down.

Q: What order should I read the books in?

A: From the beginning:

1. The Secrets of Their Souls
2. The Ghosts of Their Pasts
3. The Blood of Their Sins

Q: So, why should readers give these books a

try?A: Because The Soul Series is a fast, intriguing series with a passionate love storythe kind of eternal love that our souls dream off. With a plot that twists and turns all the way to the end, the pages turn themselvesjust look at the reviews.Q: Can readers get the whole series in one go?A: Yes they can. Ive created a bundle for the readers that want to get all three books together at a discounted price. Just search The Soul Series Boxset or visit my author page here at Amazon for more details.
