

From the Sea: The U.S. Navy & Marine Corps into the 21st Century (Old General (Aviation))

Since the early 1980s, photographer Brian Wolff has travelled the world capturing images of life in the US Navy and Marine Corps. Author John Alexander has 22 years of service as a navy Public Affairs Officer and has interviewed submarine skippers, coast guards, Top Gun pilots and instructors, yellow shirts, SEALs and other US Navy personnel. In addition, the book provides the facts and figures on all the hardware necessary to keep the US Navy in readiness, from aircraft carrier to LPD amphibious transport.

Make Oak Ridge Energy Efficient
Our Mission

Make Oak Ridge Energy Efficient (MORE2), in conjunction with the City of Oak Ridge Electric Department, is upgrading the homes of qualified Oak Ridge community members with free energy-efficient equipment, such as new HVAC and water heating units, which lowers electric bills, improves home comfort, and helps the environment.
