

The Warriors Honor: Ethnic War and the Modern Conscience

Since the early 1990s, Michael Ignatieff has traveled the worlds war zones, from Bosnia to the West Bank, from Afghanistan to central Africa. The Warriors Honor is a report and a reflection on what he has seen in the places where ethnic war has become a way of life. Ignatieff charts the rise of the new moral interventionists--the relief workers, reporters, delegates, and diplomats who believe that other peoples misery is of concern to us all. And he brings us face-to-face with the new ethnic warriors--the warlords, gunmen, and paramilitaries--who have escalated postmodern war to an unprecedented level of savagery. Hard-hitting and passionate, The Warriors Honor is a profound and searching exploration of the perils and obligations of moral citizenship in a world scarred by war and genocide.

Make Oak Ridge Energy Efficient

Our Mission

Make Oak Ridge Energy Efficient (MORE2), in conjunction with the City of Oak Ridge Electric Department, is upgrading the homes of qualified Oak Ridge community members with free energy-efficient equipment, such as new HVAC and water heating units, which lowers electric bills, improves home comfort, and helps the environment.
