

# Tiff Gear: The autobiography of Tiff Needell

Written with honesty and humour, this is the engaging story of Tiff Needells life around cars and motor racing. For nearly 25 years Tiff has been a well-known television personality, first on Top Gear where he worked alongside Jeremy Clarkson and then on Channel Fives Fifth Gear. Besides this, Tiff had an incredibly varied and long motor racing career that saw him reach the heights of a Grand Prix drive at Monaco and escape unharmed from a horrific 200mph crash at Le Mans. He tells his unique story with pace and style in a book that all his fans will relish.

Make Oak Ridge Energy Efficient

Our Mission

Make Oak Ridge Energy Efficient (MORE2), in conjunction with the City of Oak Ridge Electric Department, is upgrading the homes of qualified Oak Ridge community members with free energy-efficient equipment, such as new HVAC and water heating units, which lowers electric bills, improves home comfort, and helps the environment.
