

Conversations with Feminism

Applying the idea of conversation broadly, Penny A. Weiss offers a collection of essays that are either constructed dialogues, letters, or discussions about voice and silencing. Conversation emerges as both a theory and a method of feminist political inquiry and practice. The most vocal participants in Weiss conversations are historical political thinkers both within the Western canon (Plato, Aristotle, Machiavelli, Rousseau) and beyond its confines (Astell, Coopers, Wollstonecraft, de Pizan). Other figures appear as well, from Anita Hill and U.S. Supreme Court justices to the authors own students and children. Conflicts between feminists and anti-feminists frame some essays, while others represent debates within feminism. This unique collection is unified by a commitment to dialogue as a part of feminist ethics, strategy, and pedagogy, and builds upon the belief that a conversational approach does not preclude disagreement or contrasting stories, but requires them. *Conversations With Feminism* is an important book for students and scholars of political theory, philosophy, and womens studies.

Make Oak Ridge Energy Efficient

Our Mission

Make Oak Ridge Energy Efficient (MORE2), in conjunction with the City of Oak Ridge Electric Department, is upgrading the homes of qualified Oak Ridge community members with free energy-efficient equipment, such as new HVAC and water heating units, which lowers electric bills, improves home comfort, and helps the environment.
